

CANADIAN CHURCHES

Registration Process

We offer our Canadian students a 20% discount on the dollar for registration costs, which means each Canadian student pays \$480 in U.S. dollar. In order to accommodate exchange rates, we ask Canadian churches to adhere to the following process in submitting your registration materials and payments:

Upon the completion of the Group Registration Forms (or online) the church CHIC contact will:

1. Mail the completed registration materials and checks to:

ECCC
PO Box 23117
Winnipeg, MB R3T 5S3

DO NOT send forms to University of Tennessee DIRECTLY

PAYMENTS:

All checks should be made out to the Evangelical Covenant Church of Canada (or ECCC).

2. The ECCC Office Administrator will deposit the checks and send all completed registration materials collected with a single check in USD to the CHIC Office (made out to the Evangelical Covenant Church).
3. The CHIC Office will then complete the registration process with UT on your behalf. Contact the Canadian Conference CHIC liaison, Corinne Stoter at Corinne.Stoter@covenantevents.org with any questions you have about CHIC.
4. Signups for excursions and the Long Road to Justice Service Projects will be available in January 2018, once your church has registered for CHIC. Options will be listed at chicconference.org later this fall. You can register for excursions and service projects online; you do not need to go through the Canadian Conference Office to sign up. Pay with a credit card to automatically get the best rate for each event.

Be sure to check out chicconference.org to keep up on the latest details.
