2018 EXCURSIONS

Purpose of Excursions

CHIC Excursions offer students fun and adventurous activities that support the mission, vision, and ministry of CHIC 2018. By facilitating activities that may be outside of students' normal routines back home, our hope is that the memories that they make on excursions will be woven into the tapestry of the once-in-a-lifetime event that is CHIC.

Excursions provide great options for groups, both large and small. They are a fun way for students to experience the beauty of Tennessee while enjoying time with both their group and new people they will meet. We believe that Excursions are an exciting piece of CHIC that will amplify each participant's overall CHIC experience.
